Week 1 Phonics

s a t p

Please use the following slides to support and reinforce the phonics we have been doing in school. Your child should be familiar with the activities and if you have any questions please don't hesitate to email me.

Please remember children progress at different rates and your child may not be confident with all the activities.

Quick and short regular practice can help your child rehearse their developing skills.

Can you find the things that start with these sounds?

s a t p

Can you find the letters and say what sound they make?
